The Sutra of the Insight that Brings Us to the Other Shore

Avalokitesvara while practicing deeply with the Insight that Brings Us to the Other Shore, suddenly discovered that all of the five Skandhas are equally empty and with this realization he overcame all suffering. "Listen Sutra this Body itself is Empi-ness and Empi-ness itself is this Body. This Body is not other than Empi-ness and Empi-ness is not other than this Body. The same is true of Feelings, Perceptions, Mental Formations and Consciousness. "Listen Sutra all phenomena bear the mark of Empi-ness; their true nature is the nature of no Birth, no Death, no Being and no Non-being, no Delement, no Purity, no Increasing and no Decreasing. That is why in Empi-ness Body, Feelings, Perceptions, Mental Formations and Consciousness are not separate self entities. The Eighteen Realms of Pheno-mena which are the six Sense Organs, six Sense Objects and six Consciousnesses are also not separate self entities. The Twelve Links of Interdependent Arising and their Extinction are also not separate self entities. Ill-being, the Causes of Ill-being, the End of Ill-being, the Path, in-sight and at
taintment are also not separate self entities. Whoever can see this no longer needs anything to attain. Bodhisattvas who practice the Insight that Brings Us to the Other Shore see no more obstacles in their mind, and because there are no more obstacles in their mind, they can overcome all fear, destroy all wrong perceptions and realise Perfect Nirvana.
